

To Our Valued Canadian Customers:

Corvette Central is pleased to offer a unique program designed to make your shopping experience with us convenient and hassle-free!

We have an arrangement with UPS to act as a non-resident importer which allows us to collect all duties and taxes when your order is processed as required by Canadian federal and provincial governments. We then remit all collected duties and taxes to the appropriate government entities.

What does this mean for you?

This means there are no extra or hidden fees charged to you when your order is delivered. When you place your order with us, we will let you know the total price for the order to be delivered to your door; including shipping charges, duties and taxes. Since we coordinate the brokerage, there are no brokerage fees charged to you! Orders are shipped via UPS Canada Standard.

The exception to this program is the province of Prince Edward Island. Orders shipping to this province will be processed through a Canadian brokerage house as in the past.

Corvette Central has been America's Leader in Corvette Parts for over 30 years. Now we are Canada's Leader in Corvette Parts also!
