

Free MagnaFlow Installation by **Corvette Central**

Corvette Central has teamed up with MagnaFlow Performance Exhaust to offer installations of our C5 and C6 systems at the Corvettes at Carlisle show. Just bring your C5 or C6 to the Corvettes at Carlisle show August 24th-26th and we'll install it for you. Installations will be **free** the day of the show.

Systems includes two Magnaflow Mirror Finish Performance Mufflers in a 'True Dual' outlet configuration. Exhaust exits out of 2 sets of twin polished 4 inch tips. High-flow X-pipe crossover balances exhaust flow and further enhances Magnaflow's horsepower gains. No baffles, no chambers, no louvers and no restrictions just straight-through wide open performance with a smooth, deep tone. Lifetime Warranty.
