

RESTORATION & MAINTENANCE WORKSHOP

BY **Chris Petris**
TECH WRITER FOR

MAGAZINE

FRIDAY (C3/68-82)

- | | |
|-------------|---|
| 10:00-11:30 | C3 Comprehensive Maintenance Check-up
Covering common wear areas and their fixes. Engine and carburetor troubleshooting booklet given to participants (Limited Availability). |
| 2:00-3:30 | C3 Door and Window Component Operation
How to adjust window and door fit on the car. |

SATURDAY (C4/84-96)

- | | |
|-------------|---|
| 10:00-11:30 | C4 Comprehensive Maintenance Check-up
We'll start under the hood, proceed to the interior and end the session with a Q&A covering all the common C4 problem areas. Bring your questions! All participants receive a comprehensive C4 maintenance workshop booklet (Limited Availability). |
| 2:00-3:30 | C4 Window and Door Repair Tips
We'll cover window seal strip installation and how to change window regulators and repair early ribbon type window regulators. Another area we'll cover is window motor replacement to avoid replacing the complete window regulator. |
