CREDIT CARD AUTHORIZATION

Dear Valued Customer,

Thank you for the order you have placed with our company. In an effort to avoid being victims of credit card fraud we are requesting the following before processing your shipment.

- 1. Completed authorization form**
- 2. Copies of the front and back of your credit card**
- 3. Copy of your driver's license**

While you may feel we are asking a lot, please keep in mind that we are attempting to protect you, the cardholder, as well as us the merchant from being victims. If your order is shipping to an address other than the billing address on your credit card, we may contact you to list the alternate address with your credit card company. This helps prevent fraudulent use of your credit card. To list the alternate address with your credit card company, just call the 800 number on the back of your card and ask the agent to add the address to the notes on your account. Listing the address before you place an order helps us process your order more quickly.
