If it is less than \$35.00, you will be billed for the extra parts and the rebuild service will be completed. Please include a current email address and phone number in the event we need to reach you for charges exceeding \$35.00. If you refuse the extra costs, you will be charged \$25.00 for the time the rebuilder spent to disassemble the part and diagnose the problem.

SENDING INSTRUCTIONS: Ship part via UPS if possible & insure package in case of damage enroute. Write FOR REBUILD on outside of box. Inside, include this rebuild pdf form. We will contact you for billing info upon receipt. Put at least 3" of packing material all around part.
