Payment:

A customer service agent will contact you with the cost of your rebuild. We accept payment by credit card or check. Orders paid by check are held for 7-10 business days. Returned checks will be charged a \$25 fee.

Occasionally, extra parts are required to complete the repair. If the total for these parts is less than \$35, we will bill you, and the rebuild service will be completed. If the cost is over \$35, we will contact you for approval before performing the rebuild.

Note: If you refuse the extra cost, you will be charged \$25 for the time spent disassembling and examining the part.
